

Room details

Blackwood Bar

AUDIENCE CAPACITY: 40 SEATS 60 STANDING | APPROX. SIZE: 7MT X 14MT

The Blackwood Bar is the biggest of our venue and it will be the performative heart of the venue. Alcohol and food are available and can be purchased next to the Bar and Cafe. As it stands, it offers a small size stage which provides ideas for hosting cabaret evenings or comedy shows. We are working hard to improve the stage and lighting system and PA system to accommodate the performers' requirements over the Fringe. The pool room can be used as a dressing room before and after the shows.

- Wheelchair accessible by lift
- Changing room: Adjacent room
